Meals. Your first meal will be dinner on the evening of arrival and your last meal will be a packed lunch on the day of departure. We aim to provide food which, whilst being child-orientated, has a French flavour. This is achieved by offering optional French-style sauces and a chance to sample traditional French delicacies. Extras such as wine and a cheese-board are offered to teachers each evening, Breakfast is continental style with a choice of cereals, bread, jam and butter. Tea, coffee and hot choco-late are available to drink. A packed meal is provided for lunch-time, which includes a sandwich, biscuits or cake, fruit and a drink. Each evening your group leader will take an order for the following days sandwich filling and the catering team will make the sandwiches the next morning, ready for you to collect, Dinner is a self-service, 2-course meal. Guests may have as much food as they wish but to avoid wastage we ask that those who require more ask for a second helping. We are happy to cater for special diets and vegetarians if we are advised in advance. Where the ingredients required are not available in France, we may ask you to bring certain items with you,
